

Asignatura:	Inglés
Curso(s):	8°A y B
Profesor(a):	Ángela Bustos
Fecha:	miércoles 25 de marzo de 2020.
Nombre:	

Objective: Introduction unit 1: Information Technology. Review vocabulary related to smartphone and apps, functions quantifiers a lot of / all.

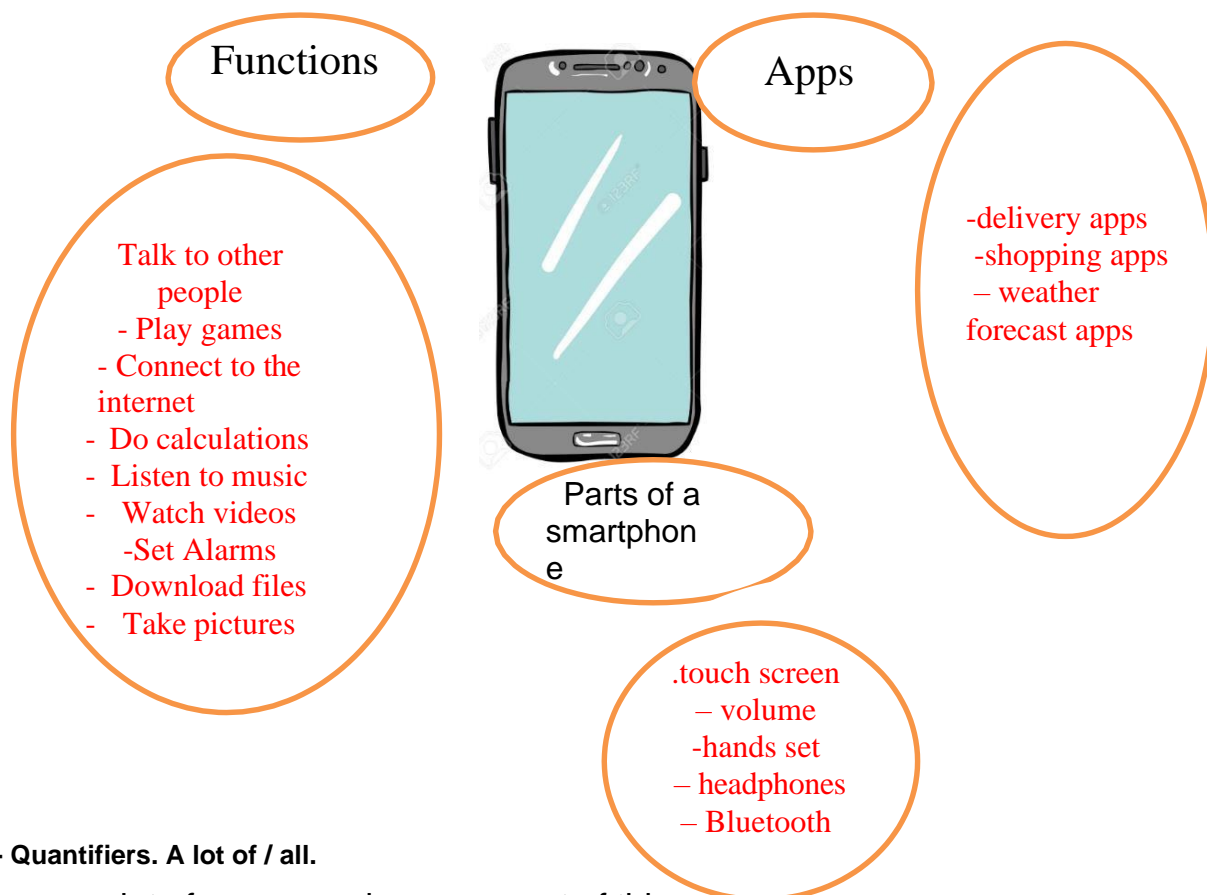

Indicaciones:

Imprimir guía desarrollarla y archivarla en carpeta amarilla.
Realizar guía con ayuda de diccionario o algún traductor.
Desarrollar guía a conciencia.

1.- Complete the mind map with words related to a smartphone. Choose the words from the box.

Talk to other people - Play games – delivery apps – touch screen - Connect to the internet - Do calculations - Listen to music – volume - Watch videos -Set Alarms – shopping apps – weather forecast apps - Download files - Take pictures – hands set – headphones – Bluetooth

2.- Quantifiers. A lot of / all.

We use a lot of to express a large amount of things.

We use all to express a total amount of things.

Example: Susy chats online **12 hours** a day. Susy chats online **a lot of** time.

Susy listens to music 24 hours a day. Susy listens to music **all** the time.

Look at the chart and complete with a lot of / all.

Name	activity	Quantifier a lot of / all
Lisa	Listens to music 18 hours per day	A lot of
Maty	Watches 2 films everyday	A lot of
John	Plays video games every afternoon after school	A lot of
Sally	Does shopping on Mercado libre, never goes to the shopping center.	All
Tony	Is online on Instagram 24 hours a day.	All
